

IN THE DISTRICT COURT OF APPEAL  
OF FLORIDA  
THIRD DISTRICT  
JULY TERM, A.D. 2012  
OCTOBER 8, 2012

ALEJANDRO "ALEX" OMES,  
Appellant(s)/Petitioner(s),

CASE NO.: 3D12-814

vs.

ULTRA ENTERPRISES, INC.,  
ET AL.,  
Appellee(s)/Respondent(s).

LOWER  
TRIBUNAL NO. 11-1775

Upon review of Appellant's motion for leave to file briefs under seal, and noting appellees have no objection to same, the court finds that, pursuant to Fla. R. Admin. 2.420(c)(9), a showing has been made that the briefs in this cause should be filed under seal and their confidentiality maintained. The order of the lower tribunal, as well as documents submitted to the trial court in consideration of the issues raised, were maintained under seal to protect the trade secrets of a party and to avoid substantial injury to a party by the disclosure of their contents. Continued confidentiality is required for these same reasons while this appeal is pending before this Court.

All parties are directed to file their briefs under seal in compliance with Fla. R. Jud. Admin. 2.420. The briefs shall be maintained under seal by the Clerk and shall be treated as confidential by the parties, their counsel, and this Court during the pendency of these appellate proceedings.

Pursuant to Rule 2.420(g)(3), this order shall operate to make these same documents confidential in the lower tribunal during the pendency of these appellate proceedings.

Within ten days following entry of this order, the Clerk of this Court shall post, as a docket entry on the Court's online docket, a Notice of Entry of Order granting appellant's motion for leave to file briefs under seal for this case.

Within twenty days of this order, appellant shall file his initial brief in compliance with this order.

CORTIÑAS and EMAS, JJ., and SCHWARTZ, Senior Judge, concur.
